23rd March 2022

Dear Valued Guest,

RE: CAMP CLOSURE FOR RENOVATION

Please note that Hemingways Ol Seki Mara camp will be closing from 23rd March until 1st June 2022 for renovation and complete upgrade purposes.

We will be substantially upgrading all the guest tents ('Nina's) by, for example, increasing their height for better views and space, improving guest privacy by changing the access configuration and upgrading the bathrooms with higher touch finishes and better natural light. We are also upgrading the tents to be glass fronted rather than canvas to maximise the fantastic vistas over the Mara plains. 'Simba', our popular family suite, will also be fully upgraded in line with the double tents and will be further enhanced by the addition of a small plunge pool on the terrace. In the public areas, we are completely redesigning our dining room and lounge to create one larger open plan space adding a bar, creating more flexibility to dining options, and, again, highlighting the fabulous views.

In addition to the upgrade of the guest tents and public areas, we have also decided to change the tent configuration of the camp by removing 'Chui', one of our family suites, and replacing that with two new 'Nina' (double) tents. So, the current configuration of 6 doubles and 2 family suites will become 8 doubles and 1 family suite.

Reservations and bookings for the remainder of the year are ongoing. Kindly contact us via the following means to make reservations or enquiries.
