New Year's Day

JANUARY 1ST 2024 | 12PM-3PM

KARAOKE, CURRY AND CHARITY

Join us from midday in the Main Bar for fresh Bloody Mary's and live music by **STANLEY DUO BAND.**

It has become tradition at Hemingways Watamu that we try and raise funds for various charitable causes on New Year's Day and thankfully many of our guests have been incredibly generous over the years in supporting our causes. 2024 is no different.

Gede special school started as a special unit in January 1997. It became a fully-fledged special school owing to its fast-growing enrolment of learners in September 2006.

Since its inception it has been admitting two main types of disabilities; the physically handicapped and the hearing impaired. Among the physically handicapped is a distinct condition called cerebral palsy that needs very specialized services.

Our assistance will allow them to continue to help the most vulnerable in the community.
